## we build better Menlo Park-Atherton Schools!

*Thank you generous MPAEF donors and volunteers!*

### DEAR MPAEF COMMUNITY,

What an incredible year thanks to all of you who believed in "One Community Investing Together." This year was full of many successful and first-time achievements. Please help us celebrate all that you have supported:

### ANNUAL PARENT CAMPAIGN

We granted \$3,916,450 to the Menlo Park City School District in support of our four schools. An additional record fund of \$116,450 was gifted to support our "World Language and Global Citizenship" program.

We also welcomed 90 new family donors who helped increase our overall participation from 61% to 66%!

A special thank you to: the 62 MPAEF board members, the 9 members of the Endowment Investment Committee, and the 4 members of the MPAEF office staff.

We are so thrilled to be part of this amazing community and group of proud parents who believe that our kids deserve a high standard of education and one of the best school experiences possible. As part of the Menlo Park-Atherton Education Foundation and on behalf of our kids, we want to thank you for all your support, time, and hard work.

### OUR MISSION

ESTABLISHED IN 1982, THE MENLO PARK-ATHERTON EDUCATION FOUNDATION (MPAEF) seeks to enable the Menlo Park City School District (MPCSD) to provide an exceptional education to students at Laurel, Encinal, Oak Knoll, and Hillview schools.

Working with parents, local businesses, community members, and the District, we raise money to pay for high-quality teachers, a comprehensive educational program, and teaching innovation beyond what is possible with public dollars alone.

Sincerely,

Astor Toyos and Katie Rottier  
MPAEF Co-Presidents 2018-2019

### Auction & Run

Building our community was another great success this year and the "It's for the Kids" auction gala event sold out in record time for the second year in a row. Four hundred parents, staff, and community members attended this fun-filled evening last March. Our Schoolhouse Rocks Run had another great year and 1,550 students, parents, staff, and community members showed up to run despite a rainy start!

### New this year -

#### One Community Campaign

Over the last year parent volunteers from all four PTOs and the Foundation worked together to create the One Community Campaign (OCC) launching this school year to simplify the process to support our schools.

### Endowment

We rolled off \$150,000 from the Endowment Fund to support 75 teachers with professional development and collaboration time during the 2019/2020 school year.

Your contribution enabled MPCSD to continue with critical programs at Encinal, Laurel, Oak Knoll, and Hillview schools, including:

31 TEACHERS in art, science, music, & library

15% SMALLER CLASS SIZES compared to the CA average

47 ELECTIVES at Hillview

19 JEANIE RITCHIE GRANTS

CUTTING EDGE STEM PROGRAMS at every school

A MENTAL HEALTH SAFETY NET including 10 dedicated psychologists & counselors

# THANK YOU

## entire Menlo Park-Atherton community!

### DEAR MPCSD FAMILIES AND SUPPORTERS,

I am so grateful for another wonderful year of partnership with the MPAEF. One of the things we value in our district is community, and the MPAEF is key to fostering community among the parents across all our schools. I work with amazing parents every day from all of our schools, who come together through the MPAEF to work tirelessly to keep our schools strong.

The annual auction, "It's For the Kids," is always an impressive feat of organization, dedication, and passion to make our programs the best they can be. Each year, the school district identifies a program to be the recipient of the Fund-A-Need paddle raise, and for last spring's Auction event it was World Language & Global Citizenship. MPCSD offers truly comprehensive world language education, from bi-weekly classes, to an array of language elective choices in middle school, to our remarkable K-5 Spanish Immersion program. I am pleased and thankful for the great fundraising you achieved for this program.

Over this coming school year, your Fund-A-Need dollars will be put to direct use for things like:

- Expanded Spanish libraries in classroom and school libraries.
- Professional Development for World Language teachers.
- Year-long, post-college Interns from spanish-speaking countries providing cultural, language, and academic enrichment.
- Expanded resources and experiences to increase student global/cultural awareness, appreciation, and understanding.

To everyone who volunteered, donated, or supported the MPAEF in any way, please know what an honor it is to partner with you for the kids and schools we all love. I am right there with you as a parent and I see every day the myriad ways in which MPAEF truly makes MPCSD a special place to raise children. Thank you again for the role you played in our joint success.

# YOUR DONATIONS

help make great things possible for our children.

This year, MPAEF's grant helps Menlo Park City School District fund:

## ACADEMIC SUPPORT & ENRICHMENT

Instructional coaches, aides, and learning specialists in Reading, Writing, and STEM that support teachers, develop curriculum, and accelerate learning for all students.

"I never expected to have the personalized attention and support for my child that we've received from our school's counselors. It's made all the difference to our family."

Jonathan Carpenter, Hillview Parent

## MENTAL HEALTH & SOCIAL/EMOTIONAL LEARNING SUPPORT

Dedicated counselors and psychologists at each site and an adolescent mental health specialist at the middle school ensuring the needs of the Whole Child are met.

"Specialists and Electives allow students to exercise their creativity, wellness, and maintain a love for reading. Electives reach a part of brain development that academics can't. The building blocks of arithmetic and literacy are important for a child's academic foundation, but without the arts, music, PE, and library, we are not developing the whole child."

Assistant Superintendent, Jammie Behrendt

## JEANIE RITCHIE INNOVATION GRANTS:

Annually, \$25,000 of the grant MPAEF provides to MPCSD goes to the Jeanie Ritchie Innovation Grants program. Each fall, teachers from across the school district apply for a grant which, if funded, would enable them to pursue innovative teaching programs in their classroom, grade, or school and provide educational experiences that students would otherwise not be able to have.

4

## SPECIALISTS & ELECTIVES:

Credentialed Music, Art, and Physical Education teachers, a robust World Language program starting in kinder, robust libraries with certificated Librarians, and an unrivaled middle school elective program.

"I've grown as a reader because Mrs. Cebrian helped me find a great book series."

Oak Knoll Student on the importance and impact of MPCSD reading specialists.

## WORLD LANGUAGE & GLOBAL CITIZENSHIP PROGRAMS

Each year, the school district identifies a program area that will receive Auction Fund-A-Need donations, and last spring it was World Language & Global Citizenship. Over this coming school year, your Fund-A-Need dollars will be put to direct use for activities & programs such as: expanded Spanish libraries, year-long, post-college Interns from spanish-speaking countries in the classroom, and expanded resources and experiences to increase student global/cultural awareness, appreciation, and understanding.

## HOW THE MPAEF GRANT BREAKS OUT

### MPAEF Expenses 2018-2019

### MPAEF Source of Funds 2018-2019

# ENDOWMENT UPDATE

**Overview:**  
The Menlo Park-Atherton Education Foundation's Endowment for Excellence in Teaching was established in 2002 as a permanent, independent, and self-sustaining source of funding dedicated to fostering academic excellence through professional development.

Endowment donations are a gift that keeps on giving! As the Endowment grows, it becomes a stable source of long-term funding for the Foundation, easing annual financial pressures. This allows MPAEF to meet the needs of future generations for years to come, supporting our strong and vibrant community-funded schools.

The Endowment Investment Committee manages the investment asset portfolio with the pro-bono support of Cambridge Associates, a leading endowment investment management advisory organization. The committee members are current and former MPCSD parents, as are the representatives of Cambridge Associates serving the Endowment.

<b>TOTAL ASSETS:</b>	\$4,625,690 as of June 30, 2019.
<b>CONTRIBUTIONS</b>	Between July 1, 2018 – June 30, 2019, the Foundation's Board of Directors raised contributions for the Endowment from parents and community members totaling \$16,267.
<b>PERFORMANCE</b>	For FY2019 ending June 30, the Endowment Portfolio generated a return of 8%. This brought the annualized return since inception (in 2003) to 7.1%.
<b>PORTFOLIO</b>	Since the primary management goal of the Endowment is to provide a stream of spending in support of MPAEF's mission, the long-term investment objectives are to preserve and enhance its purchasing power to attain a total return at least equal to the amount of any roll-off for the MPAEF's annual grant. Asset allocation is selected to minimize the risk of not meeting those objectives. The graph below shows our most current asset allocation.

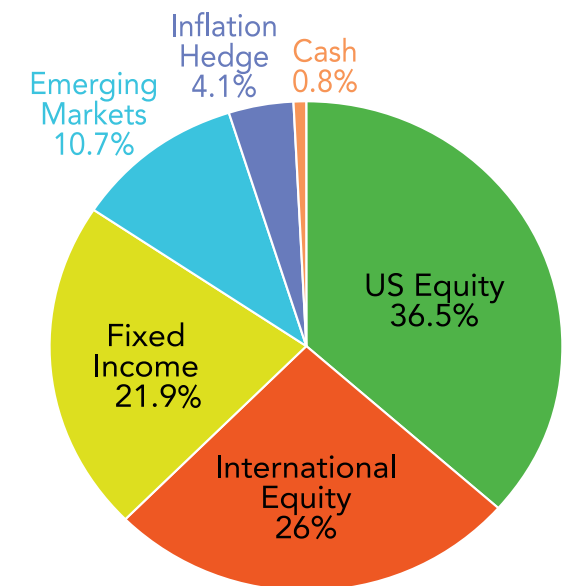

### SUPPORTING MPCSD TEACHER PROFESSIONAL DEVELOPMENT DURING THE 2019-2020 SCHOOL YEAR:

At the conclusion of the 2018-2019 school year, upon the request of Superintendent Erik Burmeister, the MPAEF Board of Directors approved a roll-off of \$150,000 from the Endowment which was granted to the Menlo Park City School District to fund teacher professional development activities during the 2019-2020 school year.

The roll-off funds will be used to advance the district's efforts toward designing the classrooms of the future. The money will be used to support **a minimum of 75 teachers** with professional development, support, and collaboration time during the 2019-2020 school year focused on:

1. **CREATING** learner-centered support and instruction, meeting all students where they are.
2. **INCREASING** student agency (voice, choice, and ownership) over their learning.
3. **MAPPING** competency (mastery) based learning targets.
4. **DESIGNING** evidence and formative assessment tools that better inform students and parents of progress.
5. **PLANNING** inquiry-based learning units (project-based learning, design thinking, etc.).
6. **REIMAGINING** the role and quality of homework.
7. **DEVELOPING** goal setting and well-being experiences for students.

The district has partnered with San Mateo County Office of Education, Transcend Education, and Altitude Learning to provide ongoing and deep experiences that allow teachers to really push into one or more of the areas described above.

# DISTRICT FAMILY DONOR ROLL

“We feel so lucky to have our kids go to a school where art, music, and library are as much a part of the learning experience as science, math, and writing. Art, in particular, is one of our kids' favorite subjects. We do not take this gift for granted, but know that only with the generous funding from the MPAEF do our kids have the opportunity to stretch their brains in so many different ways.”

“ Our children have had the privilege of attending Laurel, Encinal and Hillview. Our schools through their STEAM, STEM, Music, Art, Drama, Language (Spanish Immersion and World Language), Leadership and many other electives /activities provide innovative ways to support and engage our students. The fundraising campaign that our schools run every fall provide our children with these unique opportunities. We know our donations, no matter what amount, are vital and allow our children these unique opportunities to express themselves as individuals and grow as members of our community.”

# 2018-2019 IN-KIND DONORS

13

In-kind donations received by the Menlo Park-Atherton Education Foundation received throughout the year is an integral part of our organization's ability to keep expenses to a minimum. These donations include use of space for meetings and events, items featured in the auction, wine served at Foundation functions, and so much more!

During the 2018-2019 school year, generous local businesses donated hundreds of items to the Foundation. Combined, these items had a fair market value of \$152,438. Without these donations, our annual auction and Schoolhouse Rocks Run events would not have been as successful, and ultimately, MPAEF would not be able to meet our grant goal. Please join us in thanking our in-kind donors!

# FALL 2019 LAUNCH OF THE NEW ONE COMMUNITY CAMPAIGN

With thoughtful planning from a committed group of volunteers throughout the 2018-2019 school year, MPAEF is excited for the launch of the inaugural One Community Campaign (OCC) in Fall 2019. The OCC combines the annual Parent Teacher Organization (PTO) and Menlo Park-Atherton Education Foundation (MPAEF) fall fundraising into one ask and simplifies the parent donation process. ONE gift. ONE check. Both organizations provide the resources required to support teachers and programs in our community-funded school district.
