

ANNUAL REPORT

2021-2022

Celebrating 40 years
of supporting our schools!

MENLO PARK-ATHERTON
EDUCATION
FOUNDATION

Thank you for supporting educational excellence in MPCSD for the past 40 years.

Dear MPAEF Community,

The Menlo Park-Atherton Education Foundation celebrated our 40th anniversary this year! We would like to thank the amazing parents, Menlo Park City School District (MPCSD) leaders and staff, business partners, and community members who have supported our school district since 1982. With your support, MPAEF was able to grant just over \$4 million to the district for the 2022-2023 school year!

The One Community Campaign, or OCC, continued to thrive in its third year. Foundation leadership partnered hand-in-hand with our PTO colleagues to plan and execute a seamless campaign that generated critical funds for our district and for all of our individual schools. The results were astounding, especially in this unique fundraising climate of COVID-19, with 69% of district families participating. The OCC generated \$4.1 million overall, with approximately \$575,000 going to our individual PTOs and \$3.5 million going toward the district grant. Each year, the OCC ensures that our children continue to receive an exceptional and well-rounded education.

For the first time in three years, our auction was back in-person at Hillview Middle School with the theme “Community Under the Stars”. It was a roaring success with over 300 people raising their paddles to support our schools, as well as on-line bidding the following week. The auction raised \$539,000, including \$180,000 for the Fund-a-Need supporting mental health programs across all four schools. We were able to bring another event back in-person, our Schoolhouse Rocks 5K Run! With over 1,000 participants running and enjoying the festival, it was the feel-good event that we all needed.

Our Community and Business teams continue to rebound after the pandemic downturn. We had our first annual “President Circle Luncheon,” reuniting over 25 past MPAEF presidents. Our goal is to be able to lean on former board members for their expertise, and their ideas on how to get our greater community more involved.

Finally, for the fourth year in a row, MPAEF has approved a roll-off of \$150,000 from the Endowment Excellence in Teaching - our permanent, independent, and self-sustaining source of funding dedicated to fostering academic excellence through professional development. MPCSD is currently planning professional development for 400+ teachers and staff for the 2022-2023 school year, which will continue to focus on wellness and social emotional learning for students and staff as well as further implementation of “The Ruler” (an approach to managing emotions designed by the Yale Center for Intelligence).

A special thank you to the many parent volunteers who helped to make all of this happen, including the MPAEF board of directors, the One Community Campaign team, the MPAEF Endowment Investment Committee, the Jeanie Ritchie Grant Committee, and the MPAEF office staff.

We are so thrilled to be part of this amazing community and group of proud parents, business leaders, and community members who believe that our kids deserve a high standard of education and one of the best school experiences possible. As co-presidents of the Menlo Park-Atherton Education Foundation and on behalf of our incredible kids, we want to thank you for all your support, time, and hard work.

Sincerely,

Paige Arata and Krista Rosa

Our Mission

Working with parents, local businesses, and community members, the MPAEF enables the Menlo Park City School District to provide an exceptional education for all students at Laurel, Encinal, Oak Knoll, and Hillview schools.

From our Superintendent

Dear MPCSD Community,

It's tough to find new ways of saying how unusual things have been lately, how strongly we persevered, and how we came through unprecedented times together. And yet that is precisely what our community has done. The 2021-22 school year saw the return of more "normal" times, for which we are grateful, and also the continuing challenges of the pandemic and the stress on our students, staff, and families. One thing that has become crystal clear over the past few years, is that there is NO OTHER community more kind, more generous, more inspiring, or more capable of doing hard things together.

2021-22 was also an exceptional year for many reasons, including the historic \$4 million you allowed the MPAEF to grant us. This grant is an acknowledgement by our engaged community at every school - Encinal, Laurel, Oak Knoll and Hillview - and the broader community of neighbors, grandparents, and businesses, that our excellent local schools are something very special and worth the investment.

I am deeply grateful for the MPAEF's generous fundraising over the 2021-22 year, which enabled us to:

- Stay focused on our goal of all students engaging, achieving, and thriving.
- Realize many gains in academic proficiency.
- Increase support and services for mental health and wellness for students, families, and staff.
- Attract and retain the best educators, keeping our classes relatively small and our specialist and elective programs robust.
- Provide high-quality professional development to our staff that makes the teaching and learning in MPCSD second to none, and our leadership bench deep with professionals ready to guide the district for the next generation.
- Continue managing COVID with everyone's health and safety as our top priority while providing a meaningful in-person experience.

On a personal note, this Annual Report letter as your superintendent will be my last, which is a bittersweet milestone. As I often note, being a superintendent was never my intention. Yet MPCSD welcomed me and gave me this opportunity for which I am ever grateful. The expertise, compassion, community spirit, and willingness to explore new ideas that define the MPAEF and our longstanding collaboration, have made this district the best place I could have been to realize our shared goals and commitments to public education. Thank you for making our partnership among the most significant and rewarding parts of my tenure here in MPCSD.

With gratitude,

Erik Burmeister
MPCSD Parent and Superintendent

Your donations help support:

25 CREDENTIALLED TEACHERS

In art, science, music, and PE, as well as a librarian at every school site. Many California schools do not have specialists trained in these fields teaching their students;

SMALLER CLASS SIZES

So your student receives more individual attention;

A LONG-TERM INVESTMENT

in hiring high quality teachers and supporting them with ongoing professional development; and

12 PSYCHOLOGISTS AND COUNSELORS

to provide a mental health safety net at every school.

Spring 2022 Auction Fund-a-Need & Sponsors

CONTINUED SUPPORT FOR OUR STUDENTS' MENTAL HEALTH

On March 12, 2022, MPAEF held its first in-person event since 2019. The successful "Community Under The Stars" auction brought MPCSD parents back together to celebrate and support our schools at Hillview Middle School. Through the Fund-a-Need that was hosted during the event dinner and the online auction that followed, our community raised \$180,845 to directly support new and on-going programs and training so all MPCSD teachers and staff can help raise K-8 students' emotional intelligence and well-being.

These funds will be used during the 2022-2023 school year for:

- A dedicated emotional support dog for each school site;
- Continuation of the new Hillview Wellness Center for the 2022-2023 school year;
- Continued free mental health support for all MPCSD families through the StarVista partnership; and
- Continued RULER training for all 400+ MPCSD Staff.

This continued social and emotional support equips our students with lifelong skills that will help them succeed not just in elementary and middle school, but into their teens and adulthood.

Additionally, MPAEF received cash donations from district families to underwrite the cost of a small number of catalog items. The generosity of these families helped to ensure the success of the online auction, which raised over \$11,000!

Please join MPAEF in thanking the many parents, grandparents, staff and extended community members listed below for their generosity towards this year's Fund-a-Need and/or as Auction Sponsors. (Note: A * indicates the family donated to both Fund-a-Need and as an auction sponsor.)

MPAEF Endowment for Excellence in Teaching

2021-2022 UPDATE & DONOR ROLL

Overview:

The Menlo Park-Atherton Education Foundation's Endowment for Excellence in Teaching was established in 2002 as a permanent, independent, and self-sustaining source of funding dedicated to fostering academic excellence through professional development.

Endowment donations are a gift that keeps on giving! As the Endowment grows, it becomes a stable source of long-term funding for the Foundation, easing annual financial pressures. This allows MPAEF to meet the needs of future generations for years to come, supporting our strong and vibrant community-funded schools.

The Endowment Investment Committee manages the investment asset portfolio with the pro-bono support of Cambridge Associates, a leading endowment investment management advisory organization. The committee members are current and former MPCSD parents, as are the representatives of Cambridge Associates serving the Endowment.

Total Assets:

\$4,898,362 as of June 30, 2022.

Contributions:

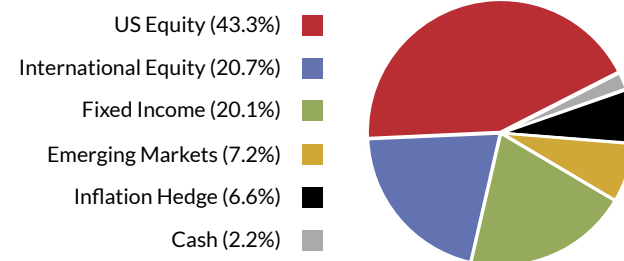

Between July 1, 2021 – June 30, 2022, the Foundation's Board of Directors raised contributions for the Endowment from parents and community members totaling \$49,847.

Performance:

For FY2022 ending June 30, the Endowment Portfolio generated a return of -17.1%. This brought the annualized return since inception (in 2003) to 6.7%.

Portfolio:

Since the primary management goal of the Endowment is to provide a stream of spending in support of MPAEF's mission, the long-term investment objectives are to preserve and enhance its purchasing power to attain a total return at least equal to the amount of any roll-off for the MPAEF's annual grant. Asset allocation is selected to minimize the risk of not meeting those objectives. The graph shown here shows our most current asset allocation.

Supporting Teacher Professional Development During the 2022-2023 School Year:

At the conclusion of the 2021-2022 school year, upon the request of Superintendent Erik Burmeister, the MPAEF Board of Directors approved a roll-off of \$150,000 from the Endowment which was granted to the Menlo Park City School District to fund teacher professional development activities during the 2022-2023 school year. These funds will be utilized to provide 300 MPCSD teachers and staff with professional development, training and additional collaboration time with colleagues, with a continued focus on wellness and social emotional learning for students and staff as well as further implementation of "The Ruler" (an approach to managing emotions designed by the Yale Center for Intelligence). Additionally, professional development focused on Multi-Tiered Systems of Support, which assists teachers and students in addressing unfinished learning.

DID YOU KNOW?

A family's donation to the endowment can be made in honor of a teacher or staff member who made a difference in their student's life. Teachers have shared with us how meaningful it is for them to be honored in this way. Lynn Eisner, Math teacher at Hillview Middle School, received a tribute gift and said, "Receiving a tribute gift for the district endowment is definitely a special way for me to be recognized as a teacher. I love that families are able to show their appreciation by supporting what I care about most - kids! And, how awesome that donations in my honor will continue to serve students long after I retire."

2021-2022 District Family Donors

2021-2022 In-Kind Donors

In-kind donations received by the Menlo Park-Atherton Education Foundation throughout the year are critical in keeping our organization's expenses to a minimum. These donations include items featured in the auction, giveaways at MPAEF events such as the Run, food and beverages served at Foundation functions, and so much more!

During the 2021-2022 school year, generous local businesses donated hundreds of items to the Foundation. Combined, these items had a fair market value of \$81,741. Without these donations, MPAEF would not be able to meet our grant goal. Please join us in thanking our in-kind donors!
